Secretary's Corner

Hello Shipmates,

Hope you and yours are well.

I hope you were able to attend your closest mini-reunion this spring. Sandra and I were fortunate to attend the "Spring Fling" in Grand Rapids, Michigan. Again, Gary and Diane did an outstanding job as our hosts. I was lucky enough to visit the Gerald R. Ford museum this year, having missed it last time. He was President during my enlistment, so this visit was

Vice President's Corner

Ahoy Shipmates,

It is time to call on each of you to think about our next reunion. The reunion is planned for October in Omaha, Nebraska. It's time to start planning your trip and placing your early reservations for the reunion. This gives the planning committee an opportunity to know who plans on attending and make proper arrangements for a great reunion. Personally, I have never been to Omaha, but I have heard they have awesome steaks. Boys Town and an

Air Force Museum are also located in Omaha.

During this time I would also like for you to consider serving on the Coral Sea Board of Director's; any of the offices (i.e., President, Vice President, et cetera.)

I'm excited to report that the Reunion Committee has received a painting of The USS Coral Sea, donated by the widow of Jack Caldarone. The painting is beautiful and is in a stainless steel frame with a

to pay unless they want to. Those members who cannot pay will not be required to pay. We do not want to lose members who are not able to pay. This change will be brought up in the June 2013 issue and will begin in October 2013. The motion was made by Earl Neall and seconded by Bob Nerbetski. The motion passed.

Therefore, at the 2013 reunion business meeting under unfinished business, the needed action will be taken to revise the by-laws to read as follows:

Article X, DUES:

Sec. 1 The dues of the U.S.S. Coral Sea CVA-43 shall be \$20.00 per year for the period of October 1st. to September 30th. Any dues increase must be recommended by the Executive Board and voted on by the members present at the annual business meeting. Any increase would be retroactive to October

1st. of the year in which the increase is approved. All plank owners (i.e. all those on the Ship's original commissioning crew) shall pay no membership fee.

The following by-laws changes will also be considered at the 2013 business meeting:
 Amend Article VIII to require written consent from any Association member wishing to be nominated and elected to any office when absent from the business meeting.
 Amend Article VII, Sec. 2, Duties of Treasurer, to remove Paragraph e) which requires that the Treasurer be bonded.

Have a safe summer and I look forward to seeing you all in October in Omaha.

Godspeed!

Association Scholarship Report.

We had seven requests for scholarship application packets this year, with one requested by twins. Only two have come from last year's applicants. I have made an effort to keep in touch with the shipmates and their students.

The winner of the 2012 \$2000 USS Coral Sea Association Scholarship is Austin Hintze. Austin is the grandson of shipmate Robert "Bob" Hintze and is attending the University of South Florida. The selection of the

2013 scholarship candidate is on-going. I hope to have names and short bios of all selectees for the September issue of "The Sea Breeze."

Solo Vietnam is a 5-star reviewed novel that captures life aboard the Coral Sea during the 1967-68 Westpac cruise, as conveyed by Asso-

ciation member Pete Wasmund. Pete was a CPO, serving as a helo tech.

The author, Jeanette Vaughan, is the mother of two Naval aviators. Her book is available on Amazon (print and Kindle versions), for Barnes and Nobel's Nook reader, and available through iTunes. A donation is made with every sale, with proceeds benefiting the Vietnam Veterans Assoc. Chaplain's Corner

Dear Shipmates,
For most of us, June is the month our thoughts turn to our fathers. As we grow older, I think we become much more appreciative of the job our fathers did, often under less-than-ideal circumstances.

And June is also the time that many of us reflect upon how we have been fathers to our own children. I can't think of my own fatherhood without reflecting on how many years my Navy career took me away from my sons for long periods of time. And, like most Navy men, I credit my dear wife for taking up the slack and being such a great parent in their growing years.

As we all know, life is never ideal. We who chose to serve our country had to spend lots of time away

from our wives and children. But we made the best of the time that we did have at home and our wives and children were understanding and forgiving.

It is tough to balance the demands of our family and our work, but thanks to God, most of us have done reasonably well in that balancing act. My hat is off to all of you fathers who love your children and who will always be a man standing tall in their lives.

Happy Father's Day!
Your shipmate,

Michael

Treasurer's Corner

Greetings Shipmates,
Another Midwest Spring Fling has come and gone and now we can look forward to the National Reunion in Omaha.

Raffle ticket sales are going well. We are at about 60% of last year's total already with 40% of those from shipmates who didn't purchase tickets last year. Please participate in the raffle if you can. It's a great fund raiser for the Association. If you would like to purchase more than the 12 tickets you received, just include the extra money (and return address labels if possible) with your 12 tickets and I will fill out the additional tickets.

See you in Omaha,

Beautiful 2'x5' Coral Sea Painting to be Raffled at Omaha Reunion.

The U.S. Navy, Then and Now...

Then: You slept in barracks, like a soldier.
 Now: You sleep in a dormitory, like a college kid.

This large painting was graciously donated to the Coral Sea Association by the widow of Jack Caldaron. After a lengthy discussion, the Board of Directors decided the painting would be raffled off at the reunion in Omaha. To simplify this process, the board is asking that you mail to Bill Johnson the number of return address labels to correlate with the number of painting raffle tickets you wish to purchase. (You may use any type of return address labels that you have on hand,

i.e., those you receive from donating to charities or any personal address label.) Once we receive your la-

bel, each label will be attached to a blank business card so that each label is uniform in size. The cards

will then be placed in a hopper for the drawing. The cost of each ticket is \$3.00 or 2 for \$5.00.

(\$20.00 will give you 8 chances to win.) Please make checks payable to the **USS Coral Seas Association** and note that the check is designated for the painting raffle.

Whether you plan on attending the reunion or not, please plan on participating in this event.

On a personal note, Sandra and I are going to be grandparents for the sixth time, and we couldn't be happier! It will be our third grandson. Congrats to Cory and Julie.

Hope everyone can make it to Omaha later this year for our next national reunion. It promises to be another great reunion!

Please remember to send any roster changes and corrections to Don Colwell, 10658 S Fruit Ave., Fresno, CA 93706.

As a means of raising funds for the Association, the painting will be raffled off at the reunion. Please look for more information in the quarterly newsletter on how you can participate in this raffle.

I am looking forward to seeing all of you in Omaha. May each of you have smooth sailing until we meet again.

With best regards,
